

RECYCLE NOW

Spring 2019

Congratulations to our Monroe County Green Schools!

Kudos to all our 2018-2019 Green Schools! The following schools have achieved Official Michigan Green School designation for outstanding performance and lasting contribution to conservation and preservation of the environment:

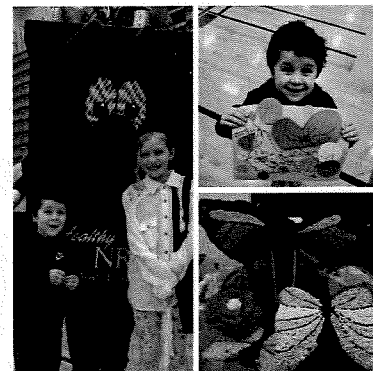

Evergreen - Dundee Elementary School, Fred W. Ritter Elementary, Meadow Montessori School, Monroe County Intermediate School District, North Elementary School, St. John the Baptist, Elementary School St. Mary Middle School Campus, St. Michael the Archangel - Early Elementary School, St. Patrick Catholic School, St. Joseph Catholic School, Sterling Elementary School

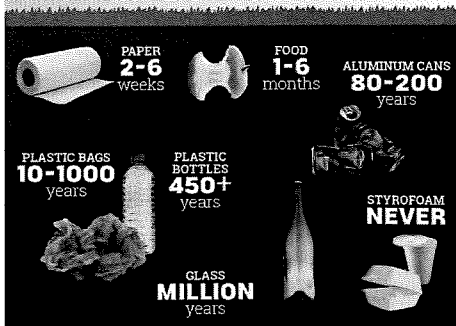

Emerald - Bedford Junior High School, Eyer Elementary School, Sodt Elementary School, Triumph Academy
Green - Dundee Middle School, Dundee High School, Mason Central Elementary School

Earth Day Expo 2019

Another Earth Day Expo is now in the books! We had a great turnout this year and hopefully many of you were able to join in the celebration of our one and only home! We honored our many Green and Healthy Schools and the Climate Literacy Project's butterflies really stole the show! Many thanks to our generous sponsors for helping make this day possible: Sisters, Servants of the Immaculate Heart of Mary, DTE, Monroe County Library System, DTE Energy Foundation, La-Z-Boy, The River Raisin Institute, and the Monroe Family YMCA.

Litter...How long until it is GONE?

Did you know?

Did you know the plastic bottle you used for only a few minutes will still be around more than 450 years from now?!? Plastic never really goes away, it just breaks down into smaller and smaller pieces into our environment. With everything you use, always remember it must go somewhere as there is no "away." This is our only home, let's keep it clean and take care of it so it will continue to take care of us!

Have fun and get outside this summer!
